PROFESSIONAL SUMMARY

BCA undergraduate with practical exposure to web technologies, programming concepts, and database fundamentals. Proficient in HTML, CSS, JavaScript, C/C++, and SQL, with working knowledge of Git, GitHub, and responsive web development. Experienced in developing academic and personal projects that involve user interfaces, application logic, and data handling. Currently seeking an internship opportunity in Web Development, Frontend Development, or Software Development to gain industry experience and contribute to real-world technical projects.

TECHNICAL SKILLS

Languages: C, C++, JavaScript, SQL

Web Technologies: HTML5, CSS3, JavaScript (ES6+), DOM, Responsive Web Design

Frontend: Bootstrap, Tailwind CSS

Database: MySQL

Development: REST API Fundamentals, CRUD Operations, API Integration

Tools: Git, GitHub, VS Code, Postman

Core Concepts: Data Structures, OOP Fundamentals, DBMS, Operating Systems

PROJECTS

Student Smart Tracker

HTML | CSS | JavaScript

- Developed a web-based application for organizing and managing student-related information.
- Implemented interactive functionality using JavaScript for data handling and user actions.
- Designed a responsive interface focused on usability and straightforward navigation.
- Applied frontend development concepts to build and structure the application.

Personal Portfolio Website

HTML | CSS | JavaScript

- Designed and developed a responsive portfolio website to present technical skills, projects, and academic background.
- Structured reusable sections for project presentation, skills, education, and contact information.
- Implemented responsive layouts to provide consistent usability across different screen sizes.

API-Based Web Application

HTML | CSS | JavaScript | REST API

- Developed a web application that retrieves and displays dynamic information through an external API.
- Implemented asynchronous JavaScript functionality for API requests and response handling.
- Added user interaction and basic error-handling mechanisms.
- Applied responsive design principles to improve usability across devices.

EDUCATION

Bachelor of Computer Applications (**BCA**)

Yashwantrao Chavan Maharashtra Open University (YCMOU), Nashik

- Currently pursuing Second Year
- First Semester CGPA: 8.18**
- Second Semester CGPA: 8.36**

CERTIFICATION

MS-CIT Certification

Maharashtra State Certificate in Information Technology

LANGUAGES

- English – Fluent
- Hindi – Fluent
